

Car-Washing Their Way To Summer Camp

A group of boys from Antioch will operate a "5-minute Car Wash" this Saturday and Sunday to raise money for a week at a northern Wisconsin camp.

The car wash site is Fred Maier's Service on highways 21 and 83 just north of the junction of Grand Avenue in Lake Villa. Hours are from 7 a.m. to dark on both Saturday and Sunday, July 13-14. Cost per car is set at \$1.25 and the project will be well supervised to guarantee complete customer satisfaction.

The boys hope to raise at least \$70 during their two day activity to help finance part of their camp fee. All residents in the area are urged to drop by with their automobiles, an assembly line will be set up to minimize waiting.

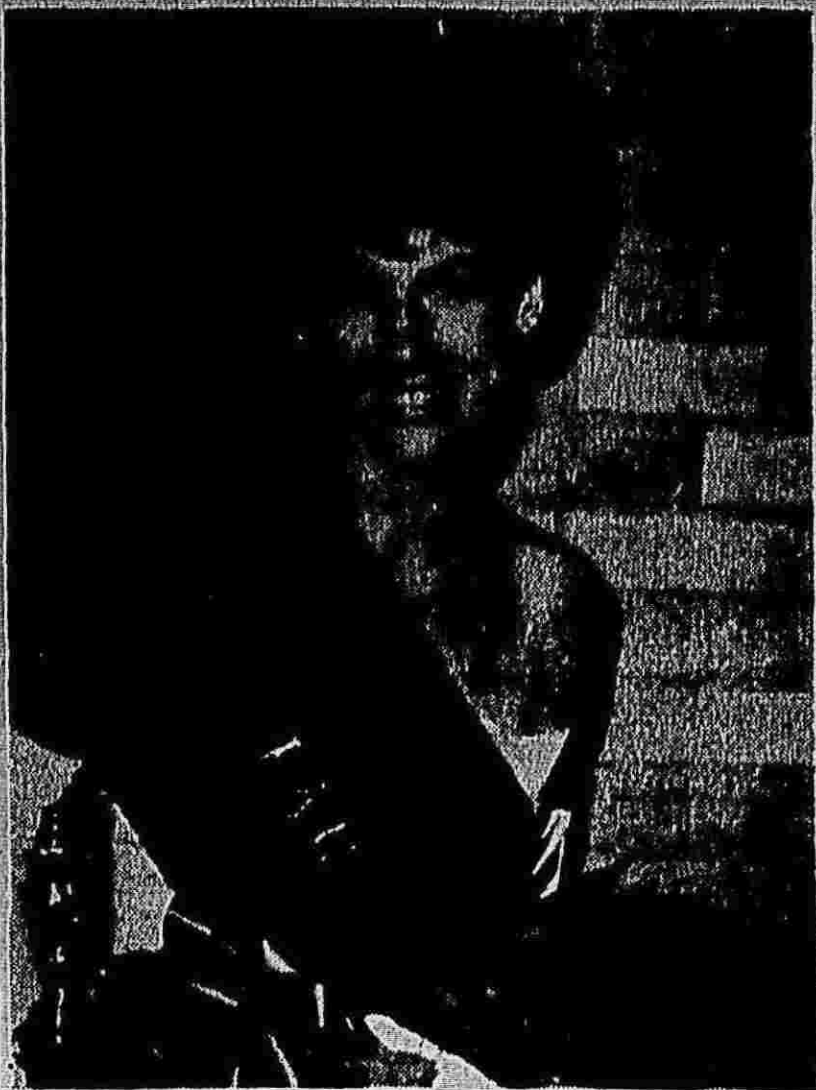

Fire Calls in June

Fire calls handled by the Antioch Fire Department in the month included: a slough and rubbish fire at the Antioch Bowl on June 2; a fire in a Willow Dale Dairy truck in front of Mary's Restaurant on Main St. on June 5; a house fire at the Joe Gettis home at Channel Lake, caused by electric wires, on June 8.

Fire in a rubbish dump at Bluff Lake Lodge on June 8; fire at the George Elsey garage at Loon Lake on June 9; a grass fire at Petite Lake Road and Route 173 on June 10; a grass fire at Grass Lake Road and Route 21 on June 18; a house fire at Drexel Blvd., Grass Lake, on June 20, and a grass fire at Tiffany Road on June 24.

Recover Body of Drowned Youth

After three days of dragging operations by members of the Antioch Rescue Squad, the body of 19-year-old James Zink of Chicago was recovered from Huntley Lake on July 3 by Ernest Westlund and Harold Mason. Zink, who was at the lake in Timber Lake Park with a group of students from DePaul University, was first missed about 6:30 p.m. Sunday, when some of the group prepared to leave for home. The youth reportedly could not swim, and had been trying to learn.

Karyn Silianoff, Miss Lake Region of 1963

Karyn Silianoff Chosen Miss Lake Region By Jaycees

Miss Karyn Silianoff was crowned Miss Lake Region of 1963 Sunday night in Antioch as the climax of the Jaycees Beauty Contest.

Nine contestants vied for the title of Miss Lake Region Judges chose the five finalists Saturday night at the Antioch Community High School. The contestants appeared in bathing suits, then formal, then performed a talent act. The five semi-finalists chosen were Miss Silianoff (Miss Hensley Motors); Jan Latham (Miss State Bank); Mary Jane White (Miss Gibbs & Jeunson); Linda Stahl (Miss First National Bank); and Vicki Albrecht (Miss Sequit Harbor).

In the talent performance Saturday night, Karyn played two organ solos. The organ was furnished for the performance by the Waukegan Music Mart. Jan Latham performed modern dances, as did Linda Stahl. Mary Jane White performed on the Vi-harp, and Vicki Albrecht sang "Misty" and pantomimed another song. Judges who made the final

selection of the Queen were Baron Zoellick, Arlington Heights; Lamont Gralapp, McHenry; Larry Hostetter, Dundee; and Al Vargo of Playboy Magazine.

First runner-up was Jan Latham, second runner-up was Mary Jane White, third runner-up was Linda Stahl, and fourth runner-up was Vicki Albrecht. The crown was placed on Karyn's head by Miss Lake Region of 1962, Miss Betty Amendola.

Asked how she felt at being chosen queen, Karyn said, "Surprised. The worst part," she said, "was waiting for the judges' decision. It seemed like we stood on stage for a half-hour Saturday night, waiting. Sunday night, it was a good thing I had the wall to lean against, I was shaking so."

Karyn will represent the Jaycees as Miss Lake Region at the Beauty Contest at the County Fair in Grayslake, on July 25. She plans to attend Mount Mary College in Milwaukee and major in teaching and art.

PM&L Play Next Week

Next Wednesday, Thursday, Friday and Saturday, (July 17, 18, 19, and 20), the three act comedy, "Everybody Loves Opal," will be presented by Palette, Masque and Lyre at the Star Lite Theatre at the Antioch Community High School.

Curtain time will be 8:30 p.m. And if you don't know where the Star Lite Theatre is, it's the courtyard created by the construction of the addition to the school.

Tickets for the play may be procured at King's Drug Store in Antioch or at the door.

Citizens Comm. Moves Against Courthouse

The Joint Citizens Action for Better County Government Committee presented a panel of speakers at the American Legion Hall in Libertyville Friday, June 28.

George Francis, former Commander of the Lakes Region Legion Post, stressed the right of referendum, which the County Board through creation of the Building Commission, has denied the people of Lake County.

Mr. Geary, Avon Township Supervisor, explained the higher interest rate of revenue bonds in contrast to general obligation bonds. The statement of the chairman of the Building Commission that the Court House would be realized through no additional tax he termed as "hocus-pocus."

Mr. Paul Hamer, the attorney who represented Mr. Bowman in his taxpayer's suit against the Building Commission, corroborated Mr. Geary's assertion that, by state law, a tax must be levied to guarantee the payment of the revenue bonds. Judge O'Sullivan, in dismissing the suit, admitted that A TAX MUST BE LEVIED.

Mr. Hamer, Mr. Geary and Mr. Peers contend that the County Board, knowing the law, are deliberately misinforming the voters of Lake County, and when it is too late to take action, another tax will be placed against all real property in Lake County.

The taxpayer's suit, according to Mr. Hamer is to be appealed to the Supreme Court. However, it will not be heard until February or March of next year, so the quickest way to stop the present court construction is by the petition to move the County seat.

Mr. Chalmers, architect and member of the Grayslake Village Board, contrasted the cost of high rise buildings on high cost property with low rise construction on land already county owned. He estimated that a court house in Libertyville could be built for less than half its cost on the present court house square.

Insurance costs are far lower in low rise buildings and costs for parking facilities on the 180 acres in Libertyville would be nominal in contrast to the below street parking which would be the only solution to the inadequate parking in Waukegan.

Mr. Peers quoted Maurice Scott, president of the Illinois Taxpayers' Federation as saying the creation of the Building Commission was the "most vicious piece of legislation enacted at Springfield." What the voters of Lake County have not been told is that the Building Commission also has the authority to maintain and equip the new building with no limit on expenditures.

Dr. Howard Fricke read the statement by which the Grayslake Village Board endorsed the circulation of petitions for the removal of the County Seat and underlined the belief that the people of Lake County be given their right to decide by ballot in November.

Mrs. Roper mentioned that

4-Hour Show To Kick Off Hospital Drive

Lions Plan Bar-B-Q

The Antioch Lions Club announced plans for their 3rd annual Chicken Bar-B-Q this week. The affair will be held at the Antioch Aqua Center this year and the date of Sunday, August 4th has been set.

Over 700 chickens will be barbecued via the long open spit. The large picnic area surrounding the pool will be available to the public and the swimming pool will also be open as usual.

Club members are urging the public to come out and enjoy a picnic with the family on the 4th. Serving time is scheduled to start at 11:30 a.m. and will continue until 5:30 p.m.

Squad Aids Several

The Antioch Rescue Squad took Mary Nicholas of Antioch to Victory Memorial Hospital on July 7, when she suffered an apparent heart attack at the Antioch Clinic.

On July 2, the squad aided Joseph Rhymor, Rte. 2, Antioch, by administering oxygen at his home.

On July 7, a youth named Fleck (no first name given) was taken to Victory Memorial Hospital by the squad after a car accident near Camp Lake.

Ford Dealers Have Tickets To Thrill Show

Laurence A. Ryan and Walker P. Lyons of Lyons & Ryan Ford Sales, 930 Main St. in Antioch today announced that they have tickets available to the exciting Tournament of Thrills show at Soldier's Field on Thursday, July 25.

The tickets, which admit bearers at half-price, may be obtained by anyone who requests them from the dealership.

The Tournament of Thrills show is a daring automobile stunt exhibition in which drivers put cars through dare-devil feats. It will be highlighted by several specialized demonstrations, all of which feature Ford Galaxies, Fairlans and Falcons. The two-hour show has played to standing room crowds from coast-to-coast and in Europe.

An added feature of this year's show will be a special display of the Lotus Ford, the car that finished second at the famous Indianapolis 500 Memorial Day race. The car is being brought to Chicago for one day for the exclusive viewing by Tournament of Thrills spectators.

JOHN HORAN, President of the Illinois Historian's Society of the American Legion, and Alexander E. Wylio, Judge Advocate, hold certificates awarded to the Mendota Record for outstanding work in publicizing Legion Affairs.

Olisar Named To New Post

George L. Olisar, teacher of instrumental music in the Antioch Grade School for the past ten years, has been named director of the Johnson's Wax Band.

Mr. Olisar made his first official appearance with the Band in Racine's July 4 parade.

Olisar has an impressive record in the musical world. He was featured cornet soloist and played first chair cornet with the United States Military Academy Band at West Point for seven years. He has played first trumpet with the WGN radio and TV orchestra and with the Chicago Civic Orchestra.

He also played with the Chicago Symphony, Fort Wayne Philharmonic, the Waukegan Philharmonic and the Kenosha Symphony. He is at present musical director of the Palette, Masque & Lyre in Antioch.

Mr. Olisar was selected from among nine well-qualified candidates.

Larson To Speak

Sheriff Charles E. Larson will be interviewed on WIND Radio on the program, "Sheriff's Report," on Saturday, July 13, at 7:05 p.m.

General subjects discussed on the taped show, according to Mr. Larson, are the general re-organization of his office, bills in the State Legislature, such as the wire-tap bill, and organized crime.

Salad Bar Luncheon

A Salad Bar luncheon, sponsored by the Mylo Club of the Millburn Church, will be held at the Millburn Church on Wednesday, July 17, from 12-2 p.m. Tickets are available from members or at the door.

Bank Robbery, Air Show, Frogmen, Will Highlight Sunday Afternoon's Program

Preparations for the Countryside Hospital Fund Raising Kick-off on Sunday, July 14th are being finalized as of this writing, according to Dr. W. C. Petty, Campaign General Chairman. The Cole Brothers Air Show will be the feature attraction of the Special Events for the day.

The Bank of Lake Villa will be robbed at 12:30 on Sunday, July 14th, by the Outlaws. This "staged-job" will be the first of a series of Special Events lasting for over four hours.

The Outlaws are composed of five former Hollywood stunt men. They are led by Denver Don, who worked as John Wayne's stunt man until he suffered a broken back. The four others are: The Big Kid, Texas Tom Bussa, Dean-Thompson and Cherokee Joe.

The robbery - in - reverse - will be followed by a parade from the Lake Villa Grade School to Lehmann Park. The parade route will go west on Grand Avenue to the corner of Cedar & Grand Avenues, then east on Cedar Avenue to the Park.

Immediately following the posting of the Colors, the Cole Bros. Air Show will begin their six daring acts, lasting approximately 1 1/2 hours.

The Century Divers, consisting of 15 local Scuba Divers, will put on a 30 minute "Frogman" exhibition, following the Air Show. Following the "Frogmen," three Scuba Divers will dramatically

L. County Fair Starts July 24th

The 35th annual Lake County Fair and 4-H Club Show starts Wednesday, July 24 and continues through five days and nights, including Sunday, July 28.

The fair will be held at the Lake County Fair Grounds located on Route 45, about 1/2 mile north of Route 120. The Fair Grounds are about 10 miles west of Waukegan, and one mile east of Grayslake, and about 40 miles northwest of Chicago.

The Lake County Exposition is now recognized as one of the top county fairs in Illinois, and among the top in the entire nation. More than 50 acres of land are available for the industrial, educational, and commercial exhibits, the huge midway, and for parking.

While the Lake County Fair still maintains much of the flavor of the old county fair with its livestock, crops, and homemaking arts exhibits, it has kept up with the latest progress in making this an outstanding exposition for everyone. From one end of the vast expanse of grounds to the other there will be exhibits and attractions for all. The midway, with its many rides and booths, will provide a sparkling carnival atmosphere. Those who delight in seeing the best in purebred pedigree stock will find it at the Lake County Fair and 4-H Club Show.

There will be hundreds of head of prize-winning livestock, ranging in size from the tiny bantam chickens and furry rabbits to the huge dairy sires. Exhibitors from Illinois and neighboring states will exhibit their best blue ribbon poultry, sheep, swine, dairy cattle, beef cattle, rabbits and pigeons.

Antioch News Among Items In Metal Box

As we go to press, the County Board of Supervisors is deciding what to do about the small metal box found in

ally parachute into Cedar Lake. The entire program will be concluded by several short talks. Among the dignitaries participating in the program are: Congressman Robert McClory; former Congresswoman Marguerite Stitt Church; State Representative W. J. Murphy; State Senator Robert Coulson; State Representative John Conolly; Lake County Sheriff Charles E. Larson and other prominent local citizens.

Dr. Petty said, "The Kick-off will be the signal for over 1,000 volunteers to begin a door to door campaign, covering more than 20,000 families in the Northwest Lake County Community, consisting of the four townships of Antioch, Avon, Grant and Lake Villa. The campaign seeks to secure a minimum goal of \$750,000 to build a modern, 56-bed hospital."

Everyone in the area and all their friends are invited to attend the Kick-off. Admission is free.

Mrs. Williams Goes On Trial For Murder

Mrs. Bernice Williams, a former Antioch resident who has been charged with the murder of her husband, went on trial in McHenry County Circuit Court July 8.

The selection of the jury was completed Monday and the prosecution began introducing evidence on Tuesday.

Mrs. Williams, according to Sheriff Edward Dowd, admitted shooting her husband in the kitchen of their home, carrying his body to the family car, and leaving the car several miles from their home. At the time of her arrest, she said her husband had been drinking heavily and she just couldn't stand any more.

Toll Revenue Drops in 1963

HINSDALE, Ill. — Preliminary traffic revenue of the Illinois Tollway for June of this year was \$2,645,619 as compared to \$2,723,752 for the same month a year ago, a decrease of \$78,133 or 2.87%.

Revenue figures, subject to audit adjustment, indicate traffic revenues of \$11,588,787 for the first six months of 1963 as compared with \$12,011,950 for the same period of 1962 a decrease of \$423,163 or 3.52%.

the base of the Soldiers' and Sailors' Monument in Waukegan.

Reportedly, the box contains several historic documents of the day, among them a copy of The Antioch News.

Included in the list of supposed contents are rosters and by-laws of several American Legion posts, a membership list of the Soldiers' and Sailors' Monument Assoc., and county newspapers.

The Board of Supervisors will decide whether to open the box and what to do with the contents.

Discuss Plans For Village Hall, Sewer Project At Meeting

Plans for a new Village Hall were discussed at the meeting of the Village Board at its regular meeting Tuesday night, July 2.

Drawings of tentative plans for the new building were submitted for the board's study by Mayor Cunningham.

The new building would contain four offices—one for Village Clerk Clarence Shultis, one for Treasurer Martha Hunter, one for the Mayor, and a spare one in case further office help is hired. In addition, there would be a meeting room and two wash rooms.

The new Village Hall would be built adjoining the Rescue Squad building, and would face on Main St.

The present office of the Village Clerk would be occupied by Police Chief Walter Scott, and the present Village hall would become the Police Station.

BIDS OPENED

Bids on cleaning and painting the old water tower were opened. United Bridge & Iron bid \$1240.84; Pittsburgh Fence & Tower Co. bid \$1337 and John H. Greenlee bid \$1185. The low bid of John H. Greenlee was accepted.

REQUESTS FROM RESIDENTS

A Victoria Street resident asked that something be done to repair the paving job recently done on Victoria St. The Committee on streets (chairman Roger Williams) was instructed to get together

with George Kennedy and review the situation.

A resident of Fillweber Court asked the board for information on sewer arrangements and setback of the proposed apartment building on Fillweber Court. Plans for the new apartment building were not available at the board meeting, so no definite information could be given.

Mrs. Helen Olson protested to the board on the poor condition of Depot St. Mayor Cunningham said that the Village planned to raise and improve Depot St.

LYN-JAY BUILDERS PRESENT PLANS

Lyn-Jay Builders presented new plans for three apartment buildings to be built on Route 21, near the new Jeda & Cain building. They were advised to present detailed plans to the Zoning Committee for study and recommendation.

FEDERAL APPROVAL OF SEWAGE PLANT

David Miller announced that the sewage plant had been approved by Federal representatives. \$3,000.00 of the Federal grant has already been received by the board, and the balance of \$7,000 will be sent as soon as proof of the payment of all contractors and sub-contractors has been received.

An Open House at the new Sewage Disposal Plant will be held on August 20.

NEW SEWER PROJECT

Frank Angelotti and Roger

Passer, of the Applied Engineering Co., presented general plans for the new sewer line to be installed through the High School property to the south limits of the village on Route 21. Their plan provided for a 12 inch sewer at a depth of about 15 feet. Mr. Passer pointed out that this would provide for considerable future growth and further hook-ons.

The new sewer line would run from Ida & Bishop Sts., south on Bishop, through high school property near the railroad tracks to Route 173, west on 173 to Route 21, and south to the last manhole the village now has on Route 21. The High School has agreed to give an easement on their property. The new sewer line will facilitate service to washrooms and showers the High School plans to erect on the athletic field.

OTHER BUSINESS

The board approved the purchase, cost not to exceed \$500.00 of a secondhand truck for the use of the Public Works Dept. The trucks are former Public Service Trucks with storage boxes for equipment.

The Disabled American Veterans were given permission to hold a Forget-Me-Not Day in the village on August 17.

Edward Jacobs presented a request from a George Traub to have his property taken into the village and

(continued on page 3)

EDITORIAL

Welcome, Tourists

The enterprising village of Hainesville, which drew the ire of the Chicago Motor Club by allegedly operating a speed trap, has found a new gimmick to swell the village treasury, according to reports from motorists.

The new method of extracting money from unwary motorists involves just where you stop at a stop sign. A white line is painted on the highway at the stop sign on Route 120, at the intersection of Routes 134 & 120. A small sign below the stop sign says, "Stop with wheels on line." Few motorists notice it. If they do, most will stop safely behind the sign, according to state law.

The motorist will then be informed by a diligent arm of Hainesville law that he was supposed to stop with his front wheels ON the white line. Regrettably, he is given a ticket. In one case we heard of, the officer offered to accept a cash bond rather than issue a ticket to the motorist.

It's hard to imagine any possible real benefit to the preservation of law and order in this practice. In addition, state law clearly directs the motorist to stop slightly behind or even with the sign. This is a state highway.

We know county and state officials dislike interfering in village affairs. But flagrant abuses of this kind hurt more than the outraged single motorist. What impression does the tourist in Illinois take home after being caught in a trap of this sort? And how can the honest policeman protest that the few bad cops give the whole force a bad name if he stands silently by and allows this sort of thing to go on without objecting?

Courthouse Notebook

BY LOU DURKIN

The announcement by business executive Charles Percy that he would seek the Republican nomination for Governor in the April, 1964 primary election should get the wheels moving towards some political alignments in Lake County.

Naturally, Secretary of State Charles Carpenter already has a ready-made organization in Lake County, but some of these supporters will start looking around for some place else to land when the veteran official announces his gubernatorial plans next month.

By making their intentions known early Percy and Carpenter should be able to line up important backing before the also-mentions such as Hayes Robertson and Sam Witwer, one-time GOP standardbearer for U. S. Senator, get away from the starting gate.

Witwer won the Senate nomination largely on the strength of his role in pushing for the blue ballot amendment of the judicial amendment to the state constitution.

We have a sneaking suspicion that this association will be some of a handicap than an asset in his future political efforts.

Ordinarily it could be as-

sumed that whichever candidate lines up the backing of State Rep. W. J. Murphy and his followers could be assured of a pretty solid vote in Lake County, particularly in view of the Antioch legislator's position as House Majority Leader and now as a member of the State Budgetary Commission.

However, the confusion and disappointment stemming from the failure of the legislature to create a new House district in Lake County could be a political cross for Murphy to bear.

Perhaps we are naive, but we think the special commission which Gov. Kerner will appoint to draft a legislative redistricting will somehow come up with something acceptable and thereby avoid the ridiculous prospect of an "at-large" election of legislators.

If the commission can't come up with an acceptable plan we may change our views about a short ballot and stump for a ballot that would eliminate all legislators.

In any event the effectiveness of Rep. Murphy as a political ally could be short-circuited depending on the outcome of the redistricting efforts.

Wonder if any of the supervisors are keeping a check

Along The Way

with ANNIE MAE

SHIFT! No, don't change your position! The reference was to Milady's newest and most questionable fashion. This utterly unflattering garment, that closely resembles Grandpa's shrunken nightshirt, has uncannily found its way from the original beach version to a glittering evening form. Far be it from this writer to degrade any style that was devised to camouflage the feminine figure. However, if the fashion dictators would have us diet, exercise and resort to various devices of deception, why, oh why, design such a thing as a shapeless Shift?

THE LATEST REPORT: First Rate! That's the way we would describe a really top-notch fireworks display put on by that small but active group of Lake Villa businessmen. . . . While we're hand-

on the cost of collecting this year's taxes in comparison with last year.

County Finance Director (Or Should It Be County Manager?) Robert Morrison assured the board last year that the use of the electronic data processing equipment would eliminate the need for overtime work during collection period in the county treasurer's office and would also eliminate the need for extra employees during the period.

Apparently some of the part-time employees have been brought back and despite the expensive IBM equipment it is still necessary to schedule some overtime work to keep abreast of the flood of mail and collections.

Kenneth Sams, of Craftsmen, Waukegan is looking happier now that Golf Star Arnold Palmer is back in his winning ways.

Sams was instrumental in bringing Paul Cardinal and Sportsways, Inc. to Lake County to sponsor a big match between Palmer, Masters Champion Jack Nicklaus, and Gary Player, and things were looking slightly grim for the game while Palmer was in a slump.

The Big Three of the pro golf circuit will play a 36 hole match at Glen Flora Country Club, Waukegan, on Labor Day weekend and will split a \$50,000 melon.

If Palmer can win the British Open and Player pick up the PGA title the success of the tourney should be assured.

Bill Hartnett, chairman of the Democratic Central Committee, isn't talking yet, but when you mention the Democrats' annual picnic Aug. 10 you get the impression he is readying a real surprise in the way of a speaker.

Makes you suspect that the speaker could be a member of THAT FAMILY or even a former Democratic president.

ing out roses, we must give a verbal bouquet to Jay Hook, Grayslake boy who made the top with the N. Y. Mets ball club, and came home to a rousing parade and welcome by the whole town. . . . Rod Winn of the Wilmet Stage Stop sure is an antique connoisseur, even to the old forty-eight star flags he displayed on the Fourth of July.

Do you know that we have a genuine Swedish Masseuse or is it masseuer, on South Main Street? Sorry, no name available. . . . Thelma Anderson and son, Ken, are vacationing in sunny Cal, while papa Elroy grinds the wheel. . . . the Dr. J. W. Kopriva family returns this week from a trip to New Jersey, New York and return through the Shenandoah Valley.

PICTURE OF THE WEEK: (If I only had a camera) A group of four directors of the Savings and Loan, namely Dr. Vermeren, Fred Walpole, Homer LaPlant, and Ed. Jacobs, attempting to unceremoniously lower the flag atop the new flagpole. A more rapid descent than they had anticipated left them all a little chagrined.

THE LAST DROP: The local business world seems to be in a whirl of changes with Blackman, Bemis and Klimas forming a brand new construction firm, Paddock and Forster have become the new owners of the Grass Lake Lumber Co., and the brothers Kostoff enlarged their business enterprises with the purchase of the Ace Hardware store in Lake Geneva.

Of course, Harry m'boy, I should have recognized the resemblance of your hat to my Chianti wine bottle immediately! . . . Two notes arrived in the mail this week which I should like to pass on to you: Hester of St. Paul sends a card from Quebec with the following verse:

As a companion on this cruise, I really wanted to invite you. But I am a lady of discretion And of your sex you've made no mention.

So here I am all by myself To visit old Quebec and gawlf Greetings to you Annie dear, I do wish you were here.

Thank you, Hester, and I can only say, I'd love to be with you on a Canadian holiday. . . a second note tests me with a quiz, What native son has hit the "big time" as a popular D.J. on station WLS?

We all enjoyed him when he was on WKRS, signed A Scout. . . . The name of course would be Ron Riley. Don't you think Mom and Pop Scully plugged him rather slyly?

"Hey look me over!" Here's your chance to catch me if you can. I have received invitations to be present at the Grand Opening of the Antioch Savings and Loan, and the Social Events Day at Lehmann Park for the kick-off of the Countryside Hospital Fund Drive. Both will take place on the 14th of July. It is my intention to be present at both functions some time during the day, so look for me, for I'll be watching you somewhere Along the Way.

DID YOU HEAR: With all

MY OLE GRANDPAPPY USED TO SAY!

By the Rev. Fr. Edmond E. Hood

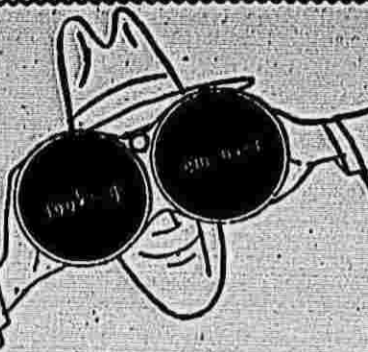

A WORD TO GOSSIPS.

It is a capital mistake to theorize before one has data. Insensibly one begins to twist facts to suit theories, instead of theories to suit facts. Sherlock Holmes in A Scandal in Bohemia.

Take care to fight shy of the man who claims to be a Christian, but never pays his debts.

It is almost impossible to convince a stingy man that he is robbing himself by keeping his money in his pocket.

There are people who never hear any music that suits them, unless they make it themselves.

By Pearl Kapell

TACT, the organization sparked by Mrs. Ruth Pfleger of Channel Lake and Western Springs, is getting a lot of attention.

TACT (in case you don't know) is an organization started by Mrs. Pfleger and the Western Spring branch of the American Association of University Women for the promotion of better television.

Paul Molloy devoted one of his columns in the Sun-Times to a discussion of TACT. Following publication of the column, Mrs. Pfleger received a letter from Newton H. Minow, chairman of the Federal Communications Commission, complimenting her on the job she and her club were doing to improve the quality of TV programs.

"LILIES OF THE FIELD," RATED GREAT

If you've talked to Maurice Loven lately, you've probably heard about his acting niece, who has been doing a part in a movie called "Lilies of the Field."

the emphasis on psychiatry today there is a new term going around, psychoceramic, in case you don't understand, that's a "cracked pot."

Remember our date on the 14th.

The hardest part about parking a Corvair is finding a nickel

That may be a slight overstatement, but such jauntiness comes easily when you're a Corvair owner.

And you can usually back it up—as easily as you can back up a Corvair. You'll find yourself doing that occasionally, if only to adjust the brakes—they're self-adjusting. That's all there is to it, and that's a good example of how delightfully easy Corvair is to own, drive and maintain.

But since we began by talking about driving, let's stick with that awhile. A large factor in the fun of driving a Corvair is the location of its engine in

the rear. Why the rear? It gives Corvair extra traction on any road surface. It provides a nearly flat floor for more useable interior space. Best of all, it produces steering so light, so responsive, you wonder why no other American-made car thought of it.

Corvair's engine is also air cooled, we might add, which means there's no antifreeze or water for you to add. Ever.

All that pleasure from something so practical almost makes you think Corvair is unique among American cars. Which isn't surprising, because it is!

And all the wonderful people who attended. LAKE REGION J. C.'s

HAROLD WILSON, M. C. of the ceremony in which the Lake Region Queen was chosen, presents a bouquet of roses to the winner, Karyn Silianoff.

How The Zip Code Works

Our five-digit ZIP Code is 60002, Postmaster Roy I. Kufalk announced today.

"Everyone in Antioch will use this ZIP Code on all their mail deliveries and reduce the chance of mis-sent mail," Postmaster Kufalk said.

ZIP Code, the Post Office Department's revolutionary new system of improved mail dispatch and delivery, goes into effect nationally on July 1.

Postmaster Kufalk stressed the importance of all citizens of Antioch learning this city's ZIP Code and using it in their return addresses on all correspondence. In answering mail, he said, ZIP Codes taken from return addresses on incoming mail should be used.

"The ZIP Code is literally the last word in mail addressing," Mr. Kufalk said. "It should follow the city and state in addresses."

He cited this example of the proper use of ZIP Code: Roy I. Kufalk, Postmaster, U. S. Post Office, Antioch, Illinois, 60002.

The new ZIP Code plan, Mr. Kufalk said, for the first time will permit the Post Office Department to short-cut repeated address reading.

"The address on mail must often be read as many as eight or ten times by postal employees, to get it to the proper destination," Mr. Kufalk said. "Each handling slows the process of mail dispatch and adds to the opportunity for human error."

"With ZIP Code, a clerk needs only to glance at the code to know immediately to what national area, state and post office the letter is destined, and to speed it on its way, cutting up to 24 hours off the time between deposit and delivery."

Mr. Kufalk said that when ZIP Code is in full swing, the United States will have "the most modern system of mail distribution and delivery in existence."

Winner in Roadco

Kenneth Hillesheim of R. 4, Box 6, Antioch, a driver for Spectra Freight System, took third place honors in the 8-axle tractor-semi-trailer class at the Illinois Truck Roadco June 28 on the grounds of the Illinois Tollway in Hinsdale. There were 80 drivers entered in the Roadco.

Citizens Comm...

(continued from page 1) Libertyville merchants would profit greatly by the change since the local paper had estimated an increase of 47,000 shoppers would visit the city, merely through the opening of the Drivers' testing station there. With Libertyville the county seat the shopping increase would far exceed that number at untold financial

benefit to the community. The speakers returned again and again to the basic argument—the denial of the right of referendum to the people by a governing body. In this restless time, when

civil rights are foremost in the news, how can this gross flouting of those rights to the electorate of Lake County go unchallenged? 7,000 signatures are necessary to place the question of

the change of county seat on the ballot in November. The excavation already started in Waukegan means nothing if the 7,000 signatures are filed by July 21. As one of the enthusiastic supporters said,

THE NASON SIBLEY'S CHILDREN and grandchildren gathered to wish them well on their fiftieth wedding anniversary on July 5. Left to right, Mr. and Mrs. Richard Carter (Mrs. Carter is daughter Rosalia), Patti Carter (in front of them) Mr. and Mrs. Nason Sibley (seated), Leo and Jerilyn Carter, and Mary Lou Sibley.

Nason Sibleys Host Friends On Fiftieth Anniversary

Friends and relatives—about 200 of them—gathered at Wesley Hall last Friday (July 5) to congratulate Mr. and Mrs. Nason Sibley on their fiftieth wedding anniversary.

The Sibleys were married on July 5, 1913, at the Tiffany Farm on Tiffany Road. Mrs. Sibley was the former Hazel Tiffany, born and raised in

Antioch. Mr. Sibley was born in Wilmet but came to Antioch with his parents at one year of age.

Except for eleven years, from 1939-1951, when the Sibleys lived in Dayton, Ohio, they have spent their lives in this area. Mr. Sibley was superintendent of construction for the U. S. Air Force during those 11 years, and they moved back here when he retired.

The Sibleys have two daughters, Mrs. Richard Carter of Dayton, Ohio, and Mary Lou Sibley of Morton Grove. They have three granddaughters, Patti, Leo and Jerilyn Carter.

Other out-of-town guests at the Golden Wedding celebration were Mr. and Mrs. Maurice Stupey of LaJolla, Calif.; Mr. and Mrs. A. L. Tiffany and family of Geneva, Ill.; Mr. and Mrs. Charles Tiffany and family of Waukegan, and the Misses Deedie and Mary Tiffany of Waukegan. Mrs. Stupey, Deedie and Mary Tiffany are sisters of Mrs. Sibley, and Charles and Al Tiffany are brothers.

Between the demands of children and grandparents, young parents today are just about desperate.

On the other hand, it is just human nature to try and look our best in summer and this is the most trying time for any woman's wardrobe. We expect the most from hot weather clothes and we always want to pay the least for them.

For this very reason we invite you to shop at MARI ANNE'S. We have just begun our August July Sale. Nationally known dresses have just been sent us and we invite you to see them. There are several styles, all beautiful fabrics, daction, voiles, seersucker, gingham, and jerseys. The sizes are 7 to 22½. Values up to \$25.00 and they are all on sale with a 20 to 40% reduction. You will want several and it is smart to make your selection early.

While we are talking about bargains we want you to see our lingerie, rite wear especially. Pairings, shifts and waltz gowns in rayon, or nylon. These have just been received marked \$6.00. For this event they will be marked \$3.99.

For summer bargains just follow the crowds—we will be happy to greet you at MARI ANNE'S in the center of ANTIOCH.

Geraldine Paasch Wed At Faith Lutheran Church

Mr. and Mrs. Bobby G. Guthrie

Geraldine Mae Paasch, daughter of Mr. and Mrs. Chester Paasch of Rt. 1, Lake Villa, became the bride of Bobby G. Guthrie, son of Mr. and Mrs. Eli Guthrie of Zion, on Saturday, June 22.

The ceremony was held at the Faith Lutheran Church in Antioch, with the Rev. M. Otterstatter officiating. The bride was given in marriage by her father.

The bride wore a traditional gown of Schiffli embroidered silk organza with a scalloped Sabrina neckline, short sleeves, and a bouffant

floor-length skirt. She carried a bouquet of white carnations and yellow roses.

The maid of honor, Miss Charlene Elverman of Wilmet, Wis., wore a cocktail-length gown of turquoise silk chiffon with high neckline and bouffant skirt. A hair braid crown in matching color completed the ensemble. She carried a bouquet of white carnations with yellow-tinted edges.

A reception was held at the American Legion Hall in Antioch following the ceremony.

Receives Scholarship

William Dressel

William Dressel of Antioch is among twelve first-year students who have been awarded scholarships at the University of Denver College of Law for the 1963-64 school year.

Christ Lutheran Elects Officers

The First council members of Christ Lutheran Church, Salem, Wis., were installed at the worship service Sunday, July 7. Nine men were elected to be the council until the first annual meeting next January.

Their election took place June 19th when a meeting was held under the direction of Dr. Myron C. Austinson. The American Lutheran Church Southern Wisconsin District President. The group voted to accept the name of Christ Lutheran Church; to accept the proposed constitution; to incorporate; and to call Alvin Pinke, the organizer, as first pastor. He will be installed at the same service when the building is dedicated in early fall.

This past week the council members met and elected the various officers from their midst: President, Mr. Gene Olson of Silver Lake, Wisconsin; Vice President, Mr. Vernon Horne of Salem who is also chairman of the committee of Parish Education. Secretary, Mr. Walter Faber of Bristol, Wis.

Treasurer, Mr. Leland Kofod of Paddock Lake, Wis. Chairman of Evangelism and Worship is Mr. Arthur Shaylor, Salem. Mr. Alden Nelson of Silver Lake, Wis., is the other council member on this committee.

Chairman of Stewardship is Mr. Arthur Bubrow of Camp Lake, Wis.

Rebekah Lodge 82

Out-of-town guests at the meeting of Lakeside Rebekah Lodge 82 on July 3 were Mr. and Mrs. William Christianson of Highland Park and the Deputy Grand Master and his wife from Elmhurst.

Six brothers were also present at the meeting. After the meeting, Mr. DeBoer showed colored slides taken at the Odd Fellows and Rebekahs' Children's Home in Lincoln, Ill. The slides included some of the Old People's Home and Hospital in Mattoon, Ill.

Another Salad Bar luncheon and card party on July 17 was scheduled, with a meeting in the evening.

Roberta Jach on Dean's Honor List

The Dean's Honor List for the second semester of the 1962-63 academic year was announced recently at Bradley University. To qualify for this list, students must attend Bradley full time and obtain an over-all grade average of 7.0 for the semester. Included on the list is Roberta M. Jach, daughter of Mr. and Mrs. Fred W. Jach of Box 54, Antioch, Illinois.

Service Award To Local Woman

Sixty-three employees of the North American Company for Life, Accident and Health Insurance received service awards at a ceremony at the company's home offices in the Rookery building, 209 S. LaSalle St., Chicago, on July 5. Those honored included Miss Marjorie A. Goddard, Box 307, Rt. 5, Antioch, with a record of 23 years of service with the company.

Chairman of Property and Management is Mr. Forrest Koenecke of Camp Lake, and Mr. Herman Erdman of Silver Lake is the other council member on this committee.

Topics for Today's Women

BIRTH NOTES

Mr. and Mrs. Leroy Strom, Antioch, are the parents of a boy, Phillip Hershell, born at St. Theresa Hospital on Saturday, July 6.

Mr. and Mrs. Arthur Karczewski, Lake Avenue, Channahon, are the parents of a baby girl, Diane Marie, born July 3, in Zion Community Hospital. Diane weighed six pounds at birth.

Mrs. Dorothy Karczewski is the first-grade teacher at Grass Lake School, and taught several years at Channahon Lake School.

Church School Stated

Vacation Church school will be held at the Antioch Methodist Church beginning August 5 and continuing through August 18. School hours will be from 1-3 p.m.

Kindergarten children through eighth grade are eligible. Theme of the school will be Widening Relationships.

Methodist Ladies Attend Conference

Four Antioch ladies went back to college for this week. Representing the Antioch Methodist Church at a seminar at Elmhurst College are Ruth Duha, Lucille Eberman, Mrs. Andrew Cobb and Mrs. Robert McAllister.

Seek Beauty Queen At Lake County Fair

The Lake County Farm Bureau is again sponsoring its annual Queen Contest. All single girls between the ages of 15 and 22, who are residents of Lake County are invited to enter. The judging will take place from the 20th to the 24th of July at the Farm Bureau Building. Contestants will be scored according to beauty, personality, and homemaking ability. Each of the seven finalists will receive prizes, with the Queen also receiving a trip for two to Denver, Colorado, for a one-week expense paid tour. The winner will also represent Lake County at the State Fair in Springfield.

Miss Barbara Johnson of Zion, the present Fair Queen, will act as hostess for this year's contest.

Tri-County GOP Club Aids Voter Education

Mrs. Ernest Derreberry, 3411 Lewis Avenue, Waukegan, president of Tri-County Republican Club of Boone, Lake and McHenry Counties, has announced that the Club has mailed each member a booklet prepared by the Illinois Manufacturers' Association listing the 1963-64 members of the Illinois Legislature and the Illinois members of the United States Congress. The booklet also includes maps of Illinois Senatorial, Representative and Congressional Districts. The viewpoint of Tri-County Republican Club, Mrs. Derreberry says, is that the legislators need the help of their constituents. With thousands of separate pieces of legislation to consider every year, legislators at Springfield and Washington need the opinion, advice, and specialized knowledge of

Opening For Mailman At Lake Villa

An examination for Rural Carrier for the post office at Lake Villa, Illinois, will be open for acceptance of applications until July 23, 1963, the U. S. Civil Service Commission has announced. Applicants must take a written test for this position. They must have resided within the delivery of the office for one year immediately preceding the closing date of the examination. In addition, they must have reached their 18th birthday on the

their constituents to guide them. It is impossible for any legislator to have a detailed knowledge of the technicalities of every bill on which he must vote. This means that the legislator welcomes letters from his home district.

Tri-County Republican Club also emphasizes political education and legislative study, and urges its members to encourage community participation in programs designed to study the Republican party structure and party platform.

"WHERE THE BOYS ARE"
Friends who would like to write to Lonnie Christensen, here's his new address:
Pfc L. C. Christensen,

APO 06, New York, N. Y.

Motorists who speed into a gas station, a supermarket parking lot, or a private driveway are endangering adults and children alike, says the Chicago Motor Club. Maturity and common sense are of little advantage to pedestrians in such a situation. Motorists always should exercise extreme caution whenever pedestrians are in the driving area.

DEATH NOTICES

MRS. CORA M. DUPRE
Mrs. Cora M. Dupre, 85 years old, of 664 North Main St., Antioch, passed away Saturday, July 6, 1963, at 4:00 p.m. in the home of her son, John L. Dupre, after a lingering illness. She was born July 15, 1877, at Skokie, Ill. She resided in Evanston, Ill., for 20 years, then moved to Antioch 62 years ago. Mrs. Dupre held membership in St. Peter's Catholic Church in Antioch, the Altar and Rosary Society of that church, and had sung in the choir for many years.

She was preceded in death by her husband, John Dupre, on Sept. 17, 1932, two sons, Raymond Dupre in 1913, and William three years ago.

Survivors are two sons, Vincent and John, of Antioch, one daughter, Mrs. Arthur (Louise) Fink, of Deerfield, Ill., one brother, Joseph Hoffman, Evanston, one sister, Mrs. Mary Elden, also of Evanston, 12 grandchildren and 16 great-grandchildren.

Requiem mass was held at 10 a.m. on Tuesday at St. Peter's Church in Antioch. Interment was in Mt. Carmel Cemetery at Antioch. Rosary was recited at the Strang Funeral Home in Antioch at 8 p.m. on Sunday. Friends were able to call at the funeral home after 7 p.m. Sunday.

ALBERT WEYRAUCH
Mr. Albert Weyrauch, 80 years old of Camp Lake, Wis., passed away Thursday, July 4th, at 8:15 p.m. in Kenosha Hospital where he had been confined for 6 days. He was born Oct. 29, 1882, at Powers Lake, Wis., then resided in Antioch before moving to Kenosha County, where he had lived most of his life. He retired as a factory worker, having been employed by Morton Mfg. Co., at Libertyville, and American Brass Co., in Kenosha.

He is survived by one brother, Emil Weyrauch, of Camp Lake, Wis., with whom he had been living; two sisters, Mrs. Emma Schmidt, Fox Lake, Ill., and Mrs. Hulda Schultz of Waukegan, as well as several nieces and nephews.

Funeral services were held at 1:00 p.m. on Saturday in the Strang Funeral Home at Antioch. The Rev. Donald Cobb of the Antioch Methodist Church officiated at the services. Interment was in Liberty Cemetery north of Antioch.

Census Survey To Show Family Plans

Questions on families' plans to buy automobiles, houses, and major household appliances will be asked in addition to regular monthly inquiries on employment and unemployment in the Census Bureau's Current Population Survey during the week of July 19. It was announced today by Director Theodore

closing date for acceptance of applications. There is no maximum age limit. However, persons who have passed the age of 70 may be considered only for temporary renewable appointments of one year.

Complete information about the examination requirements and instructions for filing applications may be obtained at the Lake Villa Postoffice. Application forms must be filed with the U. S. Civil Service Commission, Washington 25, D. C., and must be received or postmarked not later than the closing date.

Service around the clock

Miller's vs. Ketchum's In Demolition Battle

In what is being billed as a duel to make the Hatfield-McCoy affair look like a church picnic, the Ketchum family of 21 has challenged the Miller family of 20 to an all-out automobile demolition battle. The roughest drivers of the Miller clan have been chosen to meet the roughest pilots of the Ketchum tribe on Saturday night, July 13 at Waukegan Speedway.

While there is no specific type of automobile required, it is expected that each side will choose the largest and heaviest cars from their respective junkyards. Both families are in the auto wrecking business with the Ketchums hailing from Crystal Lake and McHenry area and the Millers from Gurnee.

The duel came about when the annual Miller Brothers Demolition derby was held Saturday night, June 29, "Kookie" Tom Ketchum and several of his brothers told Track Manager Mike Kaishan they could out-drive, out-fight and out-think the whole Miller family when it came to race track maneuvers.

On hearing this, the Miller

crowd responded with an immediate challenge which was taken up at once by the eager Ketchums and the battle date was set for Saturday night, July 13 at Waukegan Speedway. Should the weather make this holocaust impossible, a rain date will be Saturday night, July 20.

This event is an added attraction to the regular late-model, sportsman and thrill track division stock car races. Time trials are at 7:15 p.m. with the first race at 8:30.

Each member of the winning team—that is the team with the last car running—will receive a trophy from the Waukegan Speedway. To be sure of real competition, only the roughest drivers of each family will be chosen to represent his group. Several members of each family are presently driving race cars in the various divisions.

The Chicago Motor Club points out that a driver can't be looking very far ahead when he rides the bumper of the other fellow's car. Always allow a safe distance between your car and the car ahead.

DON'T TRIP ON MARINE STAIRWAYS

By Hank Wicand Bowman
Last summer while cruising south, I was about three miles from the Dismal Swamp Canal's southern end when a 40-foot cruiser passed me, making good at least 20 knots in a six mph posted area. Our considerably smaller boat was lifted on the mountainous wake and slammed against the canal side. No real damage was done, but the comments I made about the offending boat's rude skipper weren't the sort of thing one enters in a log.

When I arrived at the lock the large cruiser was laying about 200 feet from the lock entrance. Her skipper was angrily shouting at the lockmaster. The lockmaster signaled us ahead and we proceeded on into the lock. I was surprised when the lock gates closed after we had rigged lines around mooring posts and killed our engine.

In the few minutes it had taken to put out fenders and

secure our boat, my two sons had ferreted out an explanation of what had occurred.

I had seen them looking into a box-like arrangement that looked somewhat like a letter drop. Actually this is a periscope through which the lockmaster can see boats approaching up to four miles away!! He had taken in the passing incident, had charged the cruiser's helmsman with his flagrant breach of speed regulations and to teach him a lesson had refused him immediate entry into the lock. When last we could see the lock, the down stream gate was still open. The irate skipper apparently was given plenty of time to learn that the Army gives lockmasters absolute authority and this includes precedence at locks and the authority to depart from standard operating practices as, in their judgment, the circumstances warrant.

When you approach a lock, stay clear of the end of the guide walls and wait for the lockmaster to signal you to enter. Various methods are em-

Trayes Tap Beats Wayside Inn

By Ray Trayes
Ray Trayes Tap won over the Wayside Inn Sunday, June 30, in a 21 to 16 slugfest, packed with plenty of home runs and lots of errors. Ray's Tap took an early lead scoring 8 runs in the first inning.

Trailing 3 to 14 going into the 5th inning, the Wayside Inn scored 13 runs in the next two innings, to take the lead. Ray's Tap, tallied one run in the 5th inning and 8 in their half of the 6th. They held Wayside scoreless in the final stanza to take the win.

Two homers by Larry Wiedmann and one each by Bub Biller and Slim Ludwig accounted for most of the scoring for Ray's Tap. Dave Vos had a perfect day connecting for a triple, a double and 3 singles. Ray Marly homered for the Wayside Inn. A return match has been scheduled for July 21 at 1 p.m. at Antioch High School.

Ray's Tap, with a season's record of 6 and 2, will meet the Napoli Tap from Round Lake next Sunday at the high school. It will be the second time the two teams have met and Ray's Tap will be out to avenge their earlier 5 to 1 loss.

ployed to gain the lockmaster's attention. At some locks a signaling device such as a bell may be provided. If so, it will be marked. At others, vessels desiring lockage are expected to give notice by a blast of their boat's horn or whistle. Such signals are not consistent.

Some locks limit lockage hours for pleasure boats and some even limit lockage each way through the same lock to once in 24 hours. Write to Corps of Engineers, U. S. Army, Washington, D. C., for data on lock regulations in the cruise area of your choice.

Carry aboard at least 50 feet of mooring line. Don't tie up to ladders, instead secure one end of the line to your craft, pass it over a lock mooring post, stand by and pay out or take in mooring line as the water level in the lock rises or falls.

Use fenders to prevent damage to your boat and have passengers remain seated in small craft during lockage.

Young drivers in 1962 had the worst record of any age group in the United States. Men and women under age 25 represent only about 15 per cent of the nation's licensed drivers, yet they were involved in nearly 29 per cent of all fatal accidents and in more than 27 per cent of all non-fatal accidents.

Whats

Cookin'?

By Harry H. Stern
AUTOMATION IS MAN'S EFFORT TO MAKE WORK SO EASY THAT WOMEN CAN DO IT ALL.

POISON IVY CURE DEPT.—If you should happen to latch onto a case of it, and who hasn't, get 25 cents worth of ALUMINUM ACETATE from your friendly druggist (at this rate he won't be friendly for very long) and apply it every hour or so. Relief comes quickly and so does cure. It is a clear liquid and smells like vinegar. Be careful you're not mistaken for a marinated herring. (Gafelbtr, Annie honey.)

FISHING REPORT—Crappies and stripers are being caught in large quantities in Lake Marie on Pinkies, with a minnow hung on (for good luck?) Rudy Palinek tells me they're catching 'em in 25 feet of water, drifting or trolling. They lay in deep water during the day, and then at night, they come into the shallows to put on the feed-bag. This guy Harry Clinton from Chicago, who fishes out of Rudy's Resort, came in with a pair of northern—one went 7 pounds; the other 15. The nerve of him.

So this guy went up to the northern wilderness for the opening of the trout season, took his wife along (she was heavy with child) and as usually happens in cases like this, gave birth to a cute little girl the first night up there. It happened quick-like and there was no time to take her to the hospital 60 miles away, so the business was consummated in the fisherman's cabin. The baby weighed 24 pounds 6 ounces. They used this guy's fish scales.

SPORTSMAN'S HOME—we've reproduced the advertisement and picture of this famous resort. Recognize anybody?

PARAKEETS—two Greek youngsters.

NOMAD—happy Italian (Ima no mad).

HYDRAMATIC MOUNTAINEER—shiftless hill-billy.

"Happy" Vic Paulus is installing a big picture window in his "manse" down there by Lake Marie. That pile of lumber is for to build a set of bleachers—so us peasants can sit and look in. Vic is the genial floorwalker at Sorenson's Bait and Bull Laboratory.

It has been found that seven out of every ten fishermen don't eat fish. They give their catch away. Since fish is a brain food, people who eat 'em have large, well developed brains. People with large, developed brains just don't fish. It figures.

About that rhubarb at the NAACP meeting in Grant Park recently, where they booed Mayor Daley off the platform; since this happened outdoors, they couldn't really throw the hecklers out—

Tigers Run Wins To Six In A Row

Antioch's Little League Tigers stretched their undefeated string to 6 games last week by edging the Giants in extra innings 9 to 8. A near capacity crowd watched as little Greg Williams stole home on a wild pitch in the last of the 7th to tally the winning run.

Another highlight of the game came in the 6th inning when Donald Effinger's home run knotted the score at 7 all.

In other Little League action, Billy Revell of the Yankees took a 7 to 5 decision over the Dodgers. The losing pitcher, Glen Brooks made his first appearance in Little League play and held the Yankees to 2 hits for the first four innings. Brooks was promoted from the inter-mediate one week ago.

The Yankees scored 3 in the 2nd inning to take the lead. The Dodgers bounced back to tally 2 runs in the 3rd, tied it up in the 4th with 1 run and took the lead in the top of the 5th with another score. The Yankees scored 4 runs in their half of the 5th and then held the Dodgers to one run in the final stanza. Irv Nevitt delighted the crowd with his head first slides.

In the only other game reported, the Sox edged the Cubs 9 to 8. Dennis Rockow got credit for the victory, Jini Carlson the loser.

The Tigers are leading the White Division with a record of 6 and 0 while the Giants hold a slim lead in the Gray Division with a 4 and 2 record.

Sinks Hole-In-One

First man to shoot a hole in one at the new George Diamond Night-and-Day course in Antioch was Harlow Wiles, of 612 S. Jackson, Waukegan. He aced the 111-yard seventh hole.

Another hole in one was later scored by August Kriesemint of Spring Grove.

Al Favelli, pro at the George Diamond Country Club which is adjacent to the par 3 golf-under-lights course at Route 59 and Grass Lake Road, broke the country club course record with a 65.

Multiple Sclerosis is a chronic, progressive disabling disease of the central nervous system. Cause and cure remain unknown.

they already, were out—whadda ya do, throw 'em in?

It's better to be Filthy Rich than Clean Broke.

If Eddie Haling looks real sick, he is. His good looking wife Jean went up north to Fox Lake, Wis., to visit her folks—and Eddie's eating his own cooking.

The bunch at Charlie Halings are cleaning up on strippers in Grass Lake during the day and in the river in front of Blarney Island in the evening and at night. They're also getting some nice cats up river, and just about every day, someone catches some nice walleyes, just north of the bridge (Highway 173).

take charge of the lights.

Multiple sclerosis is the greatest cause of chronic disability among young adults," reports Dr. H. Houston Merritt, dean of the medical faculty at New York's Columbia University.

Champion Midgets To Be At Wilmot July 17

Several of the best drivers in the Badger Midget Racing Association and the United Racing Association of Illinois, will take to the track at Wilmot on Wednesday night, July 17, to determine top honors for the first mid-week program of racing at the Kenosha County Track.

The 1961 and 1962 Badger Midget Champion Keith Thomas of Madison will be on hand in his Falcon powered racer to try to top the field. The Falcon powered machines are starting to make an inroad of victories in the fabulous Ford V-8's that have been tops for many years. Others that are making

strong contention are compact power plants such as the Olds F-85; the foreign Volvo; the Chevies; and Comets. All will be represented in the Wednesday night race.

Bob Walldan of Waukegan will represent his state while Wisconsin will be supported by Al Fredenberg of Madison and Tom Bigelow of Whitewater. Midwest and national flavor will be added by Todd Barton of Vinton, Iowa, and Gary Congdon of Garden Grove, Calif. He will drive the roadster type midget powered machine built by Ernie Fredrickson of Kenosha. Dave Whitehorse of Madison, 1962 rookie of the year, and

Frank Connor, a former modified stock car driver who is well acquainted in the Kenosha County area to the stock car fans at the Kenosha County Speedway, the "Indianapolis of Wisconsin," in Wilmot.

The midgets have regained much of their favor of past war days when fans could attend a midget race any night of the week but a real lesson in spectator satisfaction has been learned and the midget sport is now guided by able sportsmen who go all out in presenting top flight races based on quality rather than quantity. Time trials at 7 and first race at 8 p.m.

First Defeat Of Season For Hensley Motors

By Bill Ferris

On Tuesday night, July 2, Hensley Motors took their first beating of the season (and a sound one) as they were belted by a strong and determined Golfview team 14 to 3.

Manager Fred Dodge, whose chest has slipped down to his waist line, lifted it up 14 notches and walked around like a proud rooster as his revised lineup pounded out 19 hits along with 5 home runs to score the rout.

Chuck Mittlevic, in center field for the Badgers, played a bank-up game in his fielding and at the plate walloped two singles, a double and a home run. George Lystlund connected for a single, triple and home run. Mike Clrone hit for 2 singles and a double. Ken Kube belted a double and home run. Jerry Fox had a single and home run. Ken Nicpon belted a home run. Bob Snarski and Tom Fox hit a two bagger, and Dick Cifasi and John Bloss each had singles.

In five games played Jerry Fox of Golfview had 13 hits and is hitting a .591 clip. Mike Clrone is hitting .421, Bob Snarski .412 and Ken Kube .405. Team hitting now stands at .304, highest in the league.

Hensley Motors, in suffering their first defeat, committed 5 errors and dropped off in team hitting to a .294 per cent.

Ralph Remus and Wayne Zeitz each had 2 of the 10 hits given up by Bob Snarski, while Ray Nosco, Joe Flaschner, Denny Flaschner, Ron Weil, Al Swan and Bernie Guntly each had one.

Jim Hofer going into the game with a .528 average, went 0 for 4 and fell to .435.

Wednesday night Hensley Motors took it on the chin for the second straight time as Lyons-Ryan banged out 19 hits and took advantage of 9 errors to breeze to an 18 to 3 win.

Ray Partipilo led the assault for Lyons & Ryan with a pair of doubles and a home run. Dick Wolf hit a single, double and three bagger. Dud Sheehan had 3 singles.

Bob L. Pitches No-Hit Game In New York

Bobby Lenczewski, young Antioch athlete who stars at bowling and baseball, has just returned from a week in New York where he was pitching with the Congress team, a member of the Chicago Park District baseball league.

Bob has been pitching for the team since early in June. He did a bang-up job on the New York trip. He pitched in three games, getting credit for two. He won both games, one a no-hitter, the other a 3-hit contest. Bob himself scored three hits in six times at bat.

Major league baseball scouts have already contacted Bob. They advised him to finish high school and assured him they'd be keeping an eye on his career in the meantime.

"Multiple sclerosis is the greatest cause of chronic disability among young adults," reports Dr. H. Houston Merritt, dean of the medical faculty at New York's Columbia University.

Racer Crashes Into Judges' Stand At Wilmot

Race fans at the Kenosha County Speedway in Wilmot saw a fast and exciting evening of racing as drivers broke two track records and then, in the last race, crashed

into the judges' stand upsetting the officials. Injuries were minor and none of the officials required medical attention. All recovered to finish out the wild spectator

car feature that was won by Bill Robis of Antioch.

The track records were set by Jim Sullivan in first the second 10 lap heat race with a time of 3:08.97 and later in the 15 lap semi-feature with a time of 4:51.95.

Dick Bentley of Twin Lakes, Wis., won the first 10 lapper ahead of Jack Frost of Zion. In the third race, Jim Bozzman of Waukegan outdistanced Ken Heiden of Barrington for the win in a time of 3:08.17. The fourth race saw Bill Strom and Ed Stillman of Milwaukee renew the battle of last week that wound up with Stillman in front at the end of the 25 lap feature. This time, though, it was Strom who led Stillman home for the 10 lap distance.

Stillman also set fast time averaging 54.34 mph and won the 25 lap feature after taking the lead from Bill Shoulters on the 23rd lap. Shoulters stayed close for a second with Fran Seamars 3rd; Strom 4th; and Ed Irving of Waukegan fifth. The second place man to the record-setting Sullivan in the semi-feature was Bob Norman of Trevor with Ted Schuster of Zion third.

Bill Robis was second in the second spectator car race behind Dick Alsen of McHenry. The first race saw a steaming 1956 Ford driven by Russ Hopp of McHenry outlast a 1957 Plymouth driven by 1962 Champion Mike Wolf of Lake Villa.

State Bank of Antioch

Growing By Serving

WE ARE PROUD TO PRESENT OUR LATEST STATEMENT OF CONDITION

Figures are very important to banks, but just as
important is the opportunity to be of service to
our customers and we sincerely thank those cus-
tomers who have enabled us to establish a rec-
ord high in our 70 years of financial experience
in the Lake Region.

The growth shown in our statement of condition
is reflected in the growth of the community we
serve . . . Growth in jobs, in business activity, in
purchasing power and security. This type of de-
velopment is conducive to our ever-increasing
FULL SERVICE BANKING FACILITIES which
help to make our community progress possible.

COMPARATIVE GROWTH

MEMBER FEDERAL DEPOSIT INSURANCE CORP.

4-H Members Compete At Oratory

A twelve year old boy and an eighteen year old girl won the Lake County 4-H Club Speaking Contest this year. They are Richard Dice, son of Mr. and Mrs. Fleming Dice, rural Waukegan, and a member of the Gurnee Gremlins 4-H Club; and Sandra Parker, daughter of Mr. and Mrs. Charles Parker, Mundelein, and a member of the Mundelein Lassies Club. The subject of Richard's talk was "Your Ping and Mine." Sandra spoke on the topic "Trial by Jury."

Alternates to the first place boy and girl winners were John Bonner, 18, son of Mr. and Mrs. Howard Bonner, Lake Villa; and a member of the Millburn Hornets Club; and Gayle Nicholas, 18, daughter of Mr. and Mrs. Ray T. Nicholas, Grayslake, and a member of the Grayslake Agricultural Club.

The two top place winners in the County contest will represent Lake County in the State 4-H Public Speaking contest at Springfield, Aug. 11, during the Illinois State Fair.

Navy Helps Grove School

Thirty young Navy volunteers from the Radar School of Great Lakes Naval Training Center were "on deck" Saturday, June 29, to move the Grove School for Perceptually Handicapped Children from their old rural building to their new building, the Trinity United Church of Christ, in Deerfield, Illinois.

The men loaded the school books and equipment into two trucks donated by Engelhardt, Inc., a Libertyville construction company, and made the move with the usual Navy dispatch.

The Radar Men adopted Grove School last Christmas as their special volunteer project while in this area. Each of the 800 men pledged to forego one ten-cent candy bar every two weeks to help these children have a school which they could attend. In addition, each graduating class has given the school a piece of equipment. The first gift was a three-speed long-play record player. They obtained a badly needed television, a slide projector, and also presented the school with a portable TV set on moving day.

Under the direction of Chief N. E. Watson, Chief H. W. Butts, and the commanding officers of this unit, the boys of the Radar School have been carefully indoctrinated with the naval concept that an American boy in the U. S. Navy is a man of peace, helping out wherever he is needed, but always ready to defend his country in case of attack.

After moving the school to its new location the Radar School men were guests for lunch at the home of Mr. and Mrs. Leo Dane, 1815 Berkly Road, Highland Park. Mrs. Dane is a member of the Grove School board.

Helping with the move in addition to Chief Butts were: Fortner, McCormick, Saxton, Stevens, Daily, George, Rudzinski, Fuller, Kluskie, Fridel, Schachter, Heidmann, Klusek, Durr, Bearer, Aubertin, Roell, White, Sieberling, Eastman, Cunningham, Jones, Plowers, Fridel, Foster.

Make Dean's List

Carole-Jo Ness, 107 Hawthorne Lane, Antioch, and Karen Lightsey, R.R. 2, Box 26, Antioch, are on the Dean's honor list for the second semester at Carroll College. They are among 69 students who had a scholarship average of 2.50 or better out of a possible 3.0.

TERRY NICKERSON, Boy Scout Troop 184 of Lake Villa, receives a Star Scout award from Commander Reinhardt of VFW Post 4308, sponsor of the Scout Troop. Left to right: Scoutmaster Del Sherwood, Commander Chuck Reinhardt, Terry Nickerson, and Mr. and Mrs. Russell Nickerson, Terry's parents.

Salvation Army Hosts Needy Mom & Kids

Hundreds of needy mothers and children will be guests of the Salvation Army at Camp Wonderland, six miles northwest of Antioch, during the summer season.

Summer vacations in the country for the needy have been offered by The Salvation Army since its first fresh air camp was held at a farm near Glen Ellyn in 1904. The present 70-acre rolling woodland location, acquired in 1924, is on County Highway SA at the edge of Camp Lake, Wis.

One of the foremost attractions for the campers is Center Lake with its opportunities for swimming, boating and fishing. The recreational program also includes group games, hikes, picnics, campcraft, woodcraft, classes in swimming, handicrafts and nature study, stunt and amateur programs, campfire and council ring sessions, outdoor band concerts, movies, trips to neighboring farms and overnight outdoor camping for the youngsters.

Guests are selected by the Army's Family Service Division on the basis of need for a vacation, without distinction as to color or religion. Referrals are accepted from other Salvation Army departments and corps, and from Chicago's other social agencies. Before going to camp, each guest has a physical examination.

By the time he is 30 a man ought to take a realistic inventory of himself because he is either a success or a flat tire.
